

ALICE DIGITAL STUDIO

YOUR FULL-SERVICE EVENT LOCATION

ALICE Rooftop & Garden is your professional partner for **virtual events** such as **panel discussions, live streams, product presentations, pre-productions, digital team events, hybrid congresses, moderations** and much more. ALICE has its own **in-house and current streaming and event technology**.

- Digital events
- Hybrid events
- Professional studio recordings

At ALICE or a location of your choice?

On request, we can also come to your company or to another **external streaming location**. Alternatively we can implement all event formats in our **spacious event location**:

- air-conditioned and light-flooded indoor area
- can be completely darkened for studio recordings
- large rooftop terrace for open-air conferences
- on-site catering available upon request or shipped in a box for purely digital events

Our Package

For your reference, we have put together a **basic-package**. Alternatively, we would be happy to make you an **individual offer**, according to your requirements, such as connecting a person from the outside, preview monitor or integrating the audience, presentations, graphics and videos.

- including advice and consultation from our technical manager
- rent for the event location is not included
- technical staff (sound/connection/video operator) is charged separately

BASIS PACKAGE

- Sound, lighting, stage, camera and streaming technology
- Statically filmed events on stage with 1-2 cameras (switching between cameras possible)
- Micing of the participants
- Stream from inside to outside area
- Stream on the company's own channel, alternatively we are happy to provide you with a GDPR-compliant video hosting service

BASIS PACKAGE
€ 2.500,- (exkl. MwSt.)
